KALINGA INSTITUTE OF MEDICAL SCIEN
ESTD 2007

About KIMS

Overview

Kalinga Institute of Medical Sciences (KIMS) is a proud constituent of the educational conglomerate KIIT Deemed to be University, which is **NAAC accredited A^{++}**. Located in an eco-friendly, Wi-Fi campus, KIMS comprises of a medical college, which is one of the largest in the state of Odisha. The **2600-bedded NABH accredited hospital** with the medical college made a humble beginning in 2007 and since then it has developed a distinct identity for itself delivering quality treatment with state of art facilities at an affordable cost. The Medical College has **20 broad specialty departments and 12 super specialty departments**, each of which is well managed by acclaimed doctors. KIMS has its own **library housed in a five-storied** building with latest editions of medical books and a state of art **simulation lab 'KAABEEL'**.

It is ranked among the **top 24** best medical colleges in the country in 2025 by the Education Ministry in the "National Institute of Ranking Framework" **(NIRF)** ranking. KIMS is in the rank of **501-600 in 2026 Times Higher Education (THE)** "World University Ranking" in medicine category and among top 11 institutions in India. KIMS has received award for two categories including Excellence in faculty development and Research & innovation from Association of Health Care Providers (India)–AHPI in 2026.

Read More
