HOSTELS FACILITY

SHRIDEVI Student Housing is a home away from home. SHRIDEVI has housing for boys and girls on the campus providing accommodation facilities. The housing blocks are aesthetically built and are situated amidst lush greenery. The University also has a guest house to facilitate parents and guests to stay when they come to visit their wards.

- The on-campus mess serves balanced, hygienic, and nutritious meals prepared under strict cleanliness standards.
- The menu is thoughtfully curated to cater to the diverse tastes and dietary needs of students, with regular quality checks implemented.
- There are vegetarian and Egg options served daily, and overall care is taken to provide food that meets both health and taste expectations.
- Purified water is provided throughout the hostels, and every effort is made to prevent any contamination

Shridevi Hostels offers a **separate ladies' hostel** designed to provide students with a safe, secure, and comfortable living environment. The hostel is thoughtfully managed with modern amenities to ensure a balanced blend of convenience and safety for female residents.

Key Features

- Well-furnished rooms with proper ventilation and cleanliness.
- 24/7 security with CCTV surveillance and wardens on duty.
- Secure entry and access control for residents' safety
- Calm and disciplined environment for study and rest.
- Medical support and emergency facilities available.
- Recreational and common areas for relaxation and social interaction.

Shridevi Hostels, highlighting the institution's commitment to safety. The presence of a security guard, along with a modern turnstile gate controlled by access cards, ensures that only authorized individuals can enter or exit the hostel premises, creating a highly secure environment for all residents.

Key Security Features Shown

- 24/7 security guard monitoring at the entry
- Advanced turnstile access control system
- Clearly displayed rules and anti-ragging measures
- Restriction of entry to authorized residents only

PUNISHMENTS FOR RAGGING

BLUE STAR
JSL

Shridevi Hostels ensures the health and well-being of its residents by providing reliable RO (Reverse Osmosis) water facilities. The hostel premises are equipped with modern RO water purifiers, supplying clean and safe drinking water to all students throughout the day.

Key Benefits of RO Water at Shridevi Hostels

- Continuous availability of pure, filtered drinking water
- Regularly maintained RO systems for hygiene and safety
- Convenient access to water on every hostel floor

This facility reflects Shridevi Hostels' dedication to offering a healthy and comfortable living environment, where students' basic needs are met with the highest quality standards.
