AIIMS Bibinagar

Welcome Address By Executive Director

Congratulations !!!

It gives me immense pleasure to congratulate you all on selection for the MBBS course at AIIMS Bibinagar Hyderabad. The faculty and staff of AIIMS Bibinagar Welcome You.

AIIMS Bibinagar is a Premiere Medical Institute of national importance established under PMSSY. The institute has all the facilities for shaping your dream of noble journey of world class medical education. AIIMS Bibinagar welcomes this seventh batch of MBBS now and henceforth your identity will be MBBS batch 2025. AIIMS are premiere institutes known for their excellence on Academic, Hospital care and Research fronts. Along with MBBS, we have MD/MS – Postgraduate Training Program running with senior residents joined in various departments last year. We have OPD, IPD, OT services, critical health care and several other clinics which will help you in acquiring clinical knowledge and skills in this noble journey.

Over the next five and a half years, you will be challenged intellectually, emotionally, and ethically. You will learn to see beyond symptoms and diagnoses, to understand the human being behind every case file. You will study the marvels of the human body, the intricacies of disease, and the art of clinical care. But more importantly, you will learn empathy, humility, and resilience.

Our faculty members are not just educators—they are mentors, guides, and role models. They will walk beside you, pushing you to think critically, act ethically, and grow holistically. Our campus is a place where curiosity is nurtured, innovation is encouraged, and excellence is expected.

Research is an integral part of our institute, we have Independent Research cell functioning having MOU with various imminent institutes of our country running various intramural and extramural research projects. Since its inception, AIIMS Bibinagar has established itself as a center of excellence, commited to aligning rigorous research with high standards in healthcare. AIIMS Bibinagars research portfolio encompasses of innovative research projects and quality research publications from faculty as well as students. It is appreciable to see research publications from our First year MBBS students in highly reputed PubMed indexed journals.

Start your journey with great enthusiasm, high spirit and think creatively, solve problems, innovate and collaborate accepting all challenges beyond comfort zones with the commitment of serving the under-served.

Let me leave you with this thought: medicine is a lifelong journey. Today is your first step. Walk it with curiosity, courage, and compassion. Ask questions. Make mistakes. Learn deeply. And never forget why you chose this path—to make a difference.

Welcome to the family. Welcome to the future of medicine.

Thank you, and once again, congratulations.

Prof. (Dr.) Nitin Ashok John
Dean (Academics)
AIIMS Bibinagar

From Dean's (Academics) Desk

Congratulations, future healers,

It is with immense pride and joy that I welcome each of you to the beginning of your journey in medicine. Today marks not just the start of your MBBS program—it marks the moment you step into a profession that is as noble as it is demanding, as scientific as it is deeply human.

You have earned your place here through hard work, resilience, and a commitment to excellence. And now, you join a community dedicated to the pursuit of knowledge, the service of humanity, and the advancement of health and healing.

Our faculty here will not only to teach you, but to mentor you. Our campus is a place where curiosity is celebrated, where questions are welcomed, and where mistakes are treated as stepping stones to mastery. Lean into this environment. Collaborate with your peers. Seek help when you need it. And never forget that medicine is a team sport.

Whether you choose to serve in rural clinics or cutting-edge hospitals, your work will ripple outward—touching lives, shaping communities, and contributing to the greater good. The world needs compassionate, skilled doctors. And today, you begin the journey to become one.

So, take a deep breath. Look around at your fellow students. These are your future colleagues, your support system, and your lifelong friends. Together, you will grow, struggle, and triumph.

Welcome to the MBBS program. Welcome to the world of medicine. Welcome to the beginning of something extraordinary.

Thank you—and once again, congratulations.

ORIGIN OF AIIMS BIBINAGAR

* The Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) was announced in 2003 with the objectives of correcting regional imbalances in the availability of affordable/reliable tertiary healthcare services and also to augment facilities for quality medical education in the country. AIIMS, Bibinagar is one of the apex healthcare institutes being established by the Ministry of Health & Family Welfare, Government of India under the PMSSY
* To facilitate the creation of very important institutions in the country, the Government of India has legislated AIIMS Act under which AIIMS are established. In terms of the provisions of the Act, these new AIIMS are called Institutes of National Importance and are to function as Autonomous Institutions under Ministry of Health and Family Welfare, Government of India
* AIIMS, Bibinagar Hyderabad Metropolitan Region (HMR) (Telangana)was denoted as "Phase-VII" of PMSSY. It makes its beginning in 2019. The institute is located on a 200 acre area on Hyderabad- Warangal Highway (NH-163), Yadadri Bhuvanagiri (District).The first batch of MBBS comprising of 50 students were started on 27.08.2019 AIIMS Bibinagar makes its beginning in 2019. It was mentored by AIIMS Bhopal and JIPMER Puducherry.

Vision

To emerge as a leading global healthcare institute offering a quality medical education in diversified fields, scientific research opportunities and foster health care training to students inculcating in them ethical and moral values for sustainable community development

Mission

To establish a center of excelllence in medical education and training
To provide a high quality community patient-focused health care that is readily accessible, cost effective and meets the needs of the communities

OBJECTIVES OF AIIMS

* To develop a pattern of teaching in undergraduate & post graduate medical education in all its branches so as to demonstrate high standard of medical education to all medical colleges & other allied institutions in India
* To bring together in one place educational facilities of the highest order for the training of the personnel in all important branches of the health activity
* To attain self-sufficiency in postgraduate in medical education

SEMESTER WISE DETAILS

1ST SEMESTER (1ST AUGUST TO 31ST DECEMBER)

- 1st Professional duration is 1year (2 Semester of 6 months each)
- Subjects: Anatomy, Biochemistry, Physiology
- 1st Mid-Semester Examinations: 7th to 14th October (approx.) conducted by respective departments
- 1st End-Semester Examinations: 6th to 13th December (approx.) conducted by respective departments

2ND SEMESTER (JANUARY TO JUNE)

- 2nd Mid Semester Examinations: 9th to 18th March (approx.) conducted by respective departments

1ST PROFESSIONAL FINAL EXAMINATION

(1st and 2nd Semesters, conducted by the Examination Section, 1st July onwards)

Attendance

75% attendance is compulsory for internal assessment marks to be forwarded to the Examination Section.

Internal assessment marks

In the 1st professional examination, internal assessment marks shall be calculated on the basis of marks obtained in two out of three semester exams (1st mid semester, 1st end- semester, 2nd mid-semester). Each of the two exams considered will contribute equally to the internal assessment. The best 2 results out of 3 exams will be taken in each subject. However, the total (theory and practical) of each subject will be counted together and cannot be split. No re-assessment/supplementary examination will be conducted for internal exams.

Each of the two considered internal assessments will carry marks as below:		
Subjects	**Theory**	**Practical**
Anatomy	50	50 (38+12 Viva Voce)
Physiology	37.5	37.5 (30+7.5 Viva Voce)
Biochemistry	37.5	37.5 (26+11.5 Viva Voce)

In the Final Examination of 1st Professional, 50% of total marks are based on internal assessments, and 50% on the basis of performance in the professional examination. The total marks in the professional examination are as follows:

		Theory	**Practical**	**TOTAL**
Anatomy	Internal Assessment Prof. Examination Total Marks	100 100 200	100 100 200	400
Physiology	Internal Assessment Prof. Examination Total Marks	75 75 150	75 75 150	300
Biochemistry	Internal Assessment Prof. Examination Total Marks	75 75 150	75 75 150	300
TOTAL				1000

Re-assessment rules (Internal examination):

* Following the implementation of 'best 2 exams' policy, no re-assessment/supplementary examination will be conducted for internal exams.
* Those students who are ill for long periods and are not able to reappear at the examination, may be exempted only by the Dean Academics from taking the examination on the production of a medical certificate from Head of the Department/ Unit under whom the student has been under treatment. This certificate should be issued within one or two days of the date of illness and should clearly indicate that the student is not fit to appear at the examination on that day. Non completion of a posting may entail a repeat posting in that area. In such cases the students may be exempted by the Dean from the pertinent semester examinations.

Supplementary Examination for 1st Professional
