LADIES HOSTEL

Cauvery Girls hostel -where life flows with learning.

A student friendly hostel which provides a safe, comfortable, living environment, Located in close proximity to the college campus and is equipped with spacious rooms which can accomodate 104 peoples,dinning facilities, study room to support the academics,Wi-Fi, and TV hall to entertain and relax. It fosters a sense of Community, making it an ideal home away from home for students.

Welcome to Paragon Hostel

We believe that life as a medical student requires a vibrant and supportive environment. At Paragon, students cultivate their curiosity while fostering strong communication skills and personal growth. It is a space where we learn to balance the pressure of exams with essential self-care.

We actively encourage outdoor sports as a healthy way to relieve stress. With a capacity of 78, this facility is EXCLUSIVELY FOR 1st-year MBBS students. Join an environment dedicated to learning, exploration, fun, and positive vibes.

Skylark Girls Hostel rises true to its name, where young dreams take flight. Located near the college, it offers a lush, verdant environment and peaceful surroundings.

It has its own cozy library, a well-equipped gym for girls, a common TV hall to connect and celebrate, and a spacious terrace that invites conversation, laughter, and starlit evenings with total 93 rooms and 186 can be accommodated.

Fleming is the most prominent men's hostel located in the Thanjavur Medical College campus. The facility provides essential housing with around 150 rooms and dining for MBBS students and medical interns.

Its location in Anna Nagar offers quick access to the college and government hospital. It serves as a central hub for student life, fostering academic peer support and community.

The college provides well-equipped academic buildings with spacious classrooms, lecture halls and seminar rooms.
