

Hostel

Hostel council

Hostel council works tirelessly and endlessly, be it working days or not so that all 500 people residing in hostel from freshers to postgraduates get unexcelled quality delectable food that takes them back to their home. Not only that, they make sure that right from PWD works to recreational activities, everything is flawless at hostel. The list never ends , they also conduct events full of cheerfulness and vivacity like none other. Be it vidiyal(hostel day) or Tarang(holi), they keep evolving every day to deliver the finest of bashes.

Hostel Facilities

The hostel at Omandurar Medical College offers a comfortable, secure, and well-maintained living environment for students. Equipped with spacious rooms, modern amenities, and a vibrant atmosphere, the hostel ensures a home-away-from-home experience. Facilities include a hygienic dining hall, recreational areas, 24/7 security, and Wi-Fi connectivity, fostering both academic focus and personal well-being. Designed to support a balanced lifestyle, the hostel promotes a sense of community and encourages lifelong friendships among students.
