

Medical College Hostel

"Where Strangers Become Lifesavers Together."

More About College Hostel

At KMSK, Govt. Medical College, Chandrapur, we understand that a comfortable, safe, and supportive living environment is crucial for the holistic development of future healthcare professionals. Our campus is home to **four dedicated hostel buildings**, designed to meet the residential needs of undergraduate students, interns, and postgraduate residents.

Hostel Infrastructure:

- Boys' Hostel – 206 Occupancy
- Girls' Hostel – 314 Occupancy
- Interns' Hostel – 110 Occupancy
- Residents' Hostel – 175 Occupancy

Each hostel is equipped with basic amenities and designed to provide a healthy balance of academic focus and personal comfort. The rooms are well-ventilated and appropriately furnished, ensuring students have a conducive environment for both study and rest.

Safety & Security:

- 24/7 Security Personnel
- CCTV Surveillance at Entry Points
- Hostel Warden for Daily Administration
- Strict In/Out Timings for Discipline

Food & Dining: Each hostel is attached to a **mess facility** that offers nutritious, hygienic, and freshly cooked meals catering to diverse dietary preferences. Special care is taken to maintain food quality and cleanliness.

Study-Friendly Environment:

- Quiet hours maintained to encourage focused study
- Common reading rooms and study halls
- Access to campus Wi-Fi (as per availability)

Student Life & Community: Life in the hostel goes beyond academics – it's where lifelong friendships are built and memories are made. Cultural events, health awareness programs, and hostel day celebrations keep the student life vibrant and engaging.

Additional Amenities:

- Clean drinking water supply (RO purified)
- Regular cleaning and housekeeping services
- Laundry spaces and support
- Recreation facilities (TV/common area, indoor games)

A Second Home for Future Healers

The hostels at KMSK are more than just buildings — they are a **community of aspiring doctors**, united by a shared mission and a strong sense of belonging. We believe that a well-managed hostel is the backbone of academic success and emotional well-being.

"Your hostel life at KMSK is not just about accommodation — it's about growth, resilience, and finding your tribe on the journey to becoming a healer."
