HOSTEL - UG & PG

S.S. Medical College, Rewa (M.P.)

Shyam Shah Medical College (SSMC) in Rewa, Madhya Pradesh, provides hostel accommodation for both undergraduate (UG) and postgraduate (PG) students. The hostels offer basic facilities like electricity, RO water, and spacious, clean living areas. Students have access to single, double, or triple-sharing rooms, depending on their year of study and availability.

Hostel Details:

UG Hostels:

- First-year students may be in three-seater rooms.
- Second-year students may be in double-seater rooms.
- From the pre-final year onwards, students may opt for single rooms.

PG Hostels:

- PG students may also have access to single rooms.

Fees: Hostel fees

Facilities: Hostels are equipped with essential amenities such as water coolers, TV rooms, and indoor play areas. Wi-Fi and security are also provided.

Dining: A mess and tiffin service are available for students.

Construction: The college has been expanding its hostel facilities, with more hostels under construction to accommodate all students.

S.S. Medical College

Shyam Shah Medical College is an institution of Madhya Pradesh State Government. It is one of the oldest medical colleges of the country with a glorious and rich heritage
