Rules & Regulations For Boy’s Hostel

All the students who are staying in the hostel are required to follow the following rules and regulations of the hostel:

Sr. No.	Rules & Regulations For Boy’s Hostel
1.	Ragging is Strictly Prohibited: Ragging in any form is strictly prohibited. If anyone is found guilty of directly/indirectly being involved in ragging, they will be punished, rusticated, expelled, or suspended from the institute and also liable to prosecution in terms of the Supreme Court of India decision on Writ Petition No. (C) 656/1998. Ragging is now a crime. No one can feign ignorance of the law. Under the Prohibition of Ragging Act 1997, those who indulge in ragging can be punished. Jail for ragging is for a period from six months to 10 years and a fine up to Rs. 50,000. A student seeking admission to the course must submit an affidavit that they are aware of the ragging law and agree to abide by the punishment meted out if found guilty of ragging and/or abetting ragging. (AICTE Requirement)
2.	Hostel rooms are equipped with furniture and fittings of electrical appliances. Students are responsible for handing over the items in their original serviceable condition to hostel authorities when leaving the rooms. Rough handling of room furniture or any furniture/property or fittings of the hostel is strictly forbidden. If any individual or group is identified to have caused damage, double the cost of the damaged property will be recovered from them. Repetition of damage to the hostel property will result in expulsion from the hostel. Students are personally responsible for safeguarding their belongings. They are advised not to keep large amounts of cash or valuables like gold rings, costly wristwatches, etc., in their rooms. They should also take care of their purse, calculators, cell phones, laptops, computers, and books. In case of theft or loss of any item, the hostel authorities/institute will not be responsible for such loss. Hostellers are advised to keep their rooms, boxes, suitcases, cupboards, etc., securely locked with good quality locks. Hostellers are neither allowed to keep private electrical equipment nor tamper with electrical fittings provided in rooms.
3.	The hostellers shall not waste electricity and water. Lights and fans should be switched off when no one is in the room. Water taps should be closed properly and water should be used with caution. Wastage of electricity and water is a national loss.
4.	Smoking, gambling in any form, consumption of alcohol, use of drugs and narcotics, and even possession of such things are prohibited. Anyone found indulging in the use of such things will not only be asked to vacate the hostel but also be rusticated from the college.
5.	The institute timings are 9 am to 5 pm (Lunchtime 1 to 2 pm). Students are not allowed to stay in the hostel during class hours unless the stay is unavoidable due to illness or any other valid reason.
6.	No student shall leave the hostel without prior permission from the hostel warden.
7.	No student shall remain absent from the hostel during the night between 11:00 pm to 5:00 am unless they have obtained a night out pass from the hostel warden.
8.	Parents/Guardians/Visitors can meet their ward in the hostel only in the visitors' room with the permission of the hostel warden before 7:00 pm. No Parent/Guardian/Visitor is allowed to stay in their room. Lady visitors are strictly not allowed to visit students in their living room.
9.	No notice will be displayed by hostel inmates on the hostel notice board without the countersignature of the hostel warden.
10.	Taking part directly/indirectly in any movement, agitation, or strike of students in the institute for any reason whatsoever will attract punishment, rustication, or expulsion, which in the opinion of the Dean/inquiry committee is subversive to the discipline of the institute.
11.	The Institute/Hostel authorities will conduct surprise checks periodically, and if anyone is found violating the above rules, disciplinary action will be taken against them.
12.	The hostel rooms are subject to inspection by the Institute/Hostel authorities to make sure that they are kept neat and tidy and no unauthorized items like liquor, drugs, lethal weapons, etc., are kept in the room.
13.	Non-hostellers are not allowed to stay in the hostel at night after 10 pm. If found, strict action will be taken against both the hosteller in whose room the non-hosteller was staying and the non-hosteller.

Shri Bhausaheb Hire Government Medical College is a medical institution in Dhule, Maharashtra, India. It is affiliated to the Maharashtra University of Health Sciences and recognised by the Medical Council of India.
