Student Residences

The University residences serve as a second home for students. We provide dedicated residential spaces for boys and girls, offering a comfortable and secure environment. Relocating to a new city can be overwhelming, and all one desires is a sense of belonging and comfort. While traditional hostels and PGs may fall short of expectations, Santosh's student housing network is a refreshing change!

From thoughtfully designed spaces to a wide array of services and exciting experiences, we are redefining student living in our residences. Our focus is on creating a network of tastefully designed, high-quality residences where students can always feel at home. We offer fully furnished rooms for both girls and boys, designed with a deep understanding of students' needs, ensuring a home-like atmosphere.

With separate blocks for girls and boys, each with fixed capacities, we offer various accommodation options for student convenience. Lively dining areas, comfortable lounge rooms, dedicated fitness corners, and entertainment spaces are just a few highlights. Our goal is to provide enriching and vibrant environments where you can relax and connect with fellow Santoshians.
