Hostel Rules

Allotment of Hostel Rooms:

Hostel accommodation is allotted purely at the discretion of the Chief Warden and on condition that the student agrees to abide by all the rules and regulations of the hostel. The Chief Warden may refuse hostel facilities without assigning any reason or remove a resident from the hostel at any time on disciplinary grounds. Students may be required on disciplinary grounds to vacate their rooms at short notice. Similarly students may be required to shift to alternate accommodation at short notice due to administrative reasons. The hostel management reserves the right to break open any room which is not vacated, pack up the contents and store it. Nocomplaints of breakage or loss will be entertained.

- ➔ It is mandatory for all first year students to stay in the hostels and be a member of the mess in the hostel. In exceptional cases permission may be granted by the Principal / Director to stay out before joining the hostel.
- ➔ Students must occupy rooms specifically allotted to them. They are not allowed to change rooms except with the written permission of the Deputy Warden / Chief Warden. However, students can pair up as per their choice within the first few days. They may contact their hostel Warden for this purpose.
- ➔ Allotment made to a student is subject to cancellation if he/she fails to occupy the room in the prescribed time. Students will also forfeit their rooms if they fail to clear all their dues to the hostel by the appointed day. In such cases they will be asked to vacate the hostel.
- ➔ The Chief Warden reserves the right to break open rooms in case of any violation of hostel rules, suspected unlawful activities or on the basis of security risk perceived.
- ➔ The rooms allotted to the students at the time of admission are for a limited period of up to one year or less. Residents are required to shift to other blocks / rooms as and when informed by hostel authorities. This shifting may be necessitated due to administrative reasons and students are required to cooperate. Residents must occupy rooms specifically allotted to them. Residents shall not change over to another room except with the written permission of the Warden. Allotment of room made to any student is subject to cancellation if he/she fails to occupy it in the stipulated time or is found absent from the room without prior information or any valid reason. Residents will also forfeit their allotment if they fail to clear all their dues to the hostel by the schedule date.
- ➔ Residents who wish to vacate the hostel must meet the supervisor for necessary formalities / advice. Permission of the student's parents and HOIs along with written documentation is mandatory.
- ➔ Students are requested to avoid singing aloud, playing of loud music, shouting or making any noise which are likely to distract the attention of those who may be studying in their rooms.
- ➔ Pets of all kinds are prohibited inside the hostel. Feeding stray dogs or cats in the hostel premises is not permitted.
- ➔ Any damage / breakage of hostel property will be charged to the occupants of the room / block with a fine. Disciplinary action will also be initiated.
- ➔ Cooking in hostel rooms is not permitted.
- ➔ All instructions / notices displayed on notice boards will be deemed to have been read by all residents and excuses for non-compliance of such instructions and notices will not be accepted. Residents are advised to look at the notice board everyday to acquaint themselves with latest information / orders.
- ➔ Substance abuse, consumption of alcohol and smoking is strictly prohibited in the hostels and in the Academy Campus/s. No one should party in the rooms, in the corridors or anywhere in the hostel premises whatever be the occasion.
- ➔ Fire Hazards and Safety: Candles and incense are a fire hazard and are not permitted in the hostels. Combustible materials such as gasoline, paint thinner and oil lamps are not permitted in the hostels. Burning / bursting of crackers, carrying of crackers to the rooms and lighting of lamps/candles are strictly banned in and around the hostel premises throughout the year. Residents must switch off all lights and fans and electrical appliances including mosquito repelling machines if any before leaving their rooms. This is necessary to avoid an inadvertent fire.
- ➔ In case of fire: Residents must raise an alarm and call the hostel supervisor or security. They should also alert the hostel security.
- ➔ Anything which interferes with students' studies must be avoided at all times. Silence hours will be observed from 8.00 PM to 8.00 AM on all days. No noise of any sort will be permitted. Serious action will be taken on the breach of this rule. Residents must not go to others' rooms and disturb the inmates. Complaints from other residents will be investigated and action will be taken accordingly.
- ➔ The Chief Warden / Deputy Warden or their representative may enter any room for verification at any time of the day or night.
- ➔ The management reserves the right to break open the rooms in case of violations of hostel rules, suspected unlawful activities and security risk cases or where the student is absent from his / her room for a long period without prior information or any valid reason. This will, however, be carried out by the security person in the presence of the hostel Warden, Supervisor and one more person at the discretion of the Chief Warden / Deputy Warden. On such occasion, the items in the room will be listed by these officials and kept in the store room. A verbal report, followed by a written report, will be sent to the higher authorities.
- ➔ All the residents of the hostel are to sign between 8.00 PM to 9.00 PM in the register provided by the hostel office. In case of failure to do so, the list of students shall be sent to the Principal's Office and the parents shall be informed of the same.
- ➔ All residents are advised to extend their fullest cooperation to see that no unauthorized persons enter or stay in the hostel premises. If they happen to find any such person, they should demand the permit / Identity Card and if it is not forthcoming, the matter should be brought to the notice of the Warden for further action.
- ➔ Ragging is strictly prohibited inside the hostels. Any such incident should be brought to the notice of the wardens. The contact numbers of the members in the anti-ragging committee will be displayed and provided to all the students and may be contacted at any time.
- ➔ All hostel inmates must report any disciplinary matter or problems concerning them or their room-mates / neighbor(s) coming to their notice to the Deputy Warden / Chief Warden through supervisor or directly.
- ➔ No Televisions are permitted to keep in the hostel rooms by the students. Students have to watch TV in the common TV room provided in the hostels.
- ➔ The residents are forbidden to keep any heavy cash/valuables in the room. The resident is responsible for the safety of his/her items inside the rooms. Giving the room keys to any person in good faith is at their own risk. The management will not take any responsibility for any loss of such costly articles/money. They may deposit all sum of money not immediately required by them for their expenses in the local Banks. The residents must lock the rooms and their lockers with their own locks.
- ➔ Security of ATM/Debit cards/wallet: All residents must take care of their ATM/Debit Cards/wallet. They must not disclose their PIN to anybody – even to their best friends
