

Hostel

KVV(DU) offers state of the art hostels at nominal fees, with 24*7 dedicated staff to cater to the student’s requirements. The University has 10 hostels with single, double & triple accommodation. The hostels provide a bed, study table, chair and cupboard for each student. The hostels are well equipped with study room, common telephone facility, recreation facilities as well as television room. Every hostel has its own mess which serves cuisines that suit everyone’s palates as well as ensures nutrition and variety. The manicured lawns and lush green surroundings provide for the finest environments where students can concentrate on their studies amidst the calms away from the hustle of the city. The safety and security of the student is always given paramount importance by the hostel staff, wardens and security which ensure the hostel protocols are adhered to strictly.

An international hostel with air-conditioned rooms, Wi-Fi facility, attached toilets and shower cubicles; television room, laundry services is available for international students. The mess in the international hostel serves food that suits the tastes of students coming in from different countries.

Two more hostels are under construction, for benefit of the students.
