

Sri Sai Swagruha self maintained students hostel for Men and Sri Sai Swagruha self maintained students hostel for Women are student managed hostels with residential buildings constructed within the campus. Vegetarian and Non-Vegetarian food is served. Full time duty wardens are appointed to maintain Discipline and to attend the needs of the inmates. To preserve the academic atmosphere, admission into the hostels is strictly based on Merit and study hours are also organized. Hot water with the help of solar system, Separate library, provision for indoor and outdoor games. Purified mineral water, Gymnasium facilities etc are provided to the residents. All the rooms of hostels are provided with Wi-Fi internet connection, where the inmates can avail this facility and update their research activity every day.

The rooms are built artistically, to make the students feel pleasant as they enter into them. The colour palettes and bedding choices are selected carefully, which cast a special impression on the onlookers. Also, they are soothing for the eyes and brain after a long tiring day. Plush beds are provided to make the students comfortable, and the available cutting edge amenities are of excellent use for them, in their personal, academic and career endeavours.
