Hospital - Introduction

Surat Municipal Institute of Medical Education & Research (SMIMER) was established in 2000 by the Surat Municipal Corporation to extend health care facilities to its citizens and better educational opportunities to the students of Surat. Being a tertiary care hospital, SMIMER has all the basic as well as speciality and super speciality health care amenities. The SMIMER has an attached 750 bedded hospital in the campus. The institute has qualified health care professionals including doctors, nurses and other staff. The citizen's charter is an expression of the commitment of providing of health care facilities in timely basis.

MISSION

SMIMER is dedicated to improve the general health and wellbeing of persons visiting for healthcare. Established by the Surat Municipal Corporation, Civic body of Surat city, works in a friendly atmosphere and with compassion towards the care of patients. SMIMER is a non-profit organization and has been well established as a centre of excellence for medical education as well as patient care and aim to achieve highest standards in patient care by making further improvements.
