Hostel

Our college provides separate hostel facilities for both male and female students within the campus. SNIMS is fully equipped to provide accommodation to all students. Our hostels are located around lush green surroundings creating a serene environment. Rooms are spacious and well ventilated

SNIMS Hostel is a seven storied building with elevator facility. Ground floor has a visitor's room. Each floor has 14 rooms. Each room is designed to provide comfortable accomodation to two or three occupants. Rooms have bookshelves and cloth cupboards. Students are provided with a table and a chair each. A reading room along with a dedicated study area adds value. Mess facility is provided with a dining area. Students are provided with delicious snacks and hygienic meals. A recreation room has cable T.V, a sound system, a gym and a few indoor sports facilities. To promote outdoor activities and to keep students physically and mentally fit, a large playground located in front of the hostel provides football, volleyball and basketball courts.

Hostels are provided with 24x7 security. Students can seek assistance from a caretaker or a matron if the need arises. Overall living ambience provides an appropriate environment for students to study and grow as thorough professionals.

Cleanliness and hygiene are maintained through trained housekeeping personnel. Rooms are cleaned daily. Their services are available on all days from morning till evening. SNIMS' vision is to ensure students achieve academic success, acquire humility, compassion and become highly competent doctors

Anti-ragging measures

Institution strictly adheres to Anti-ragging policies as per the instructions of Honorable Supreme Court. The Anti-ragging committee is always alert and takes preventive anti -ragging measures judiciously to thwart unpleasant incidents from taking place. Wardens, Caretakers and Matrons stay in the hostels and provide support day and night.

Security system

Hostel security system has guards posted at entry and exit points of the hostel wings. In/out records are maintained in 'entry and exit' registers. Without permission of the warden, no visitors are allowed inside the hostel. CCTV cameras are in place to capture all entry and exit points. This exercise ensures the safety of students. All activities are monitored in the security office on the ground floor of the hostel building.

Medical services
