

Teaching Hospital

All the departments like General Medicine, General Surgery, Orthopedics, OBG, Pediatrics, Ophthalmology, Psychiatry, E.N.T., TBCD, Dermatology, and Psychiatry have their OPD facilities with separate male and female examination rooms. Student demonstration rooms are provided adjacent to every OPD for clinical demonstrations. Students are provided with adequate opportunities to interact with patients and gain first-hand experience. The beds for in patients are distributed among different department wise, ward wise and unit wise.

The NICU unit of pediatrics department has a Premature Baby Unit which is equipped with Central Oxygen supply, central suction, double surface phototherapy units and warmers.
