Naseera Botanical Garden

Dr. Moopen's Medical College has announced the launch of a Botanical garden for students, botanists and horticulturists on World Environment day.

Aimed at preserving the flora and fauna of the medical college area, the 'Naseera garden' would feature a wide range of medicinal plant species, seeds, flowers and fruits. Naseera Botanical Garden will be opened for public and student visits within the next 2 years.

VIEW WEBSITE

Hostels

It accommodates all Students, Interns, Residents and Nurses on campus. At present, there is one Men's Hostel, two Ladies Hostels, and a Nurses Hostel

Residential blocks

Accommodation inside the campus is planned for 100% of the Faculty and Residents. Presently there are 3 Residential Blocks in the form of 2 BHK, 1 BHK and Studio Apartments.
