## Life @ NYTIMS

The student campus life at Dr. N. Y. Tasgaonkar Institute of Medical Science (Dr.NYTIMS) is vibrant and engaging. The lush green campus, equipped with modern amenities such as a swimming pool, basketball and tennis courts, football and cricket grounds, and a cafeteria, provides an ideal environment for learning and growth.

The institute has a diverse student body, consisting of students from different backgrounds and cultures. The students are encouraged to participate in various extracurricular activities, including sports, cultural events, and technical competitions.

DR.NYTIMS provides its students with ample opportunities for personal and professional growth, including industry visits, internships, and guest lectures by industry experts. The institute also emphasizes research and innovation, encouraging students to participate in research projects and competitions.

The hostel facilities at DR.NYTIMS provide a comfortable and secure accommodation option for students who come from distant locations. The hostels are equipped with modern amenities and are well-maintained by the institute.
