Welcome

Welcome To Prakash Institute of Medical Sciences and Research

Prakash shikshan foundation Prakash Institute of Medical Sciences (PIMS) & Research, Urun Islampur is being developed to be one of the best medical colleges in state which would maintain high academic, socio-cultural and discipline standard.

PIMS is focused on policy of imparting quality education to students through involvement of our teaching faculty with the ultimate aim of student satisfaction.

We transform class XII student into able and talented clinicians within their most formative years. We ensure that students should gain not just medical knowledge but also a holistic development and skills that will equip them to face the real world. Faculty monitors students by participating in their academic, research, sports & cultural pursuits.

MBBS is a four and half year course followed by one year Internship. It is recognized by Medical Council of India, New Delhi and affiliated to Maharashtra University of Health Sciences, Nashik.

Dr. Vijayumar S Patil, Dean, having vast experience with private medical colleges and deemed universities, is well-known among the educational and professional organizations. He takes keen interest in the development of students to achieve their aim. He has a large number of medical books published to his credit.

The Institution has excellent academic atmosphere, excellent culture and discipline and the best infra-structural facilities such as state of the art buildings, laboratories, library facilities, student's **hostels** for boys and girls, playground, Auditorium, Lecture Theater etc.

We want the students to be committed and dedicated to their goals along with integrity and concern for the society. If you have the drive and determination, come to PIMS and we will help you realize your dreams!
