Hostel

Excellent accommodation facilities with well furnished double and four occupancy rooms, Sprawling and Artistic layout, Hygienic Kitchen, Spacious Dining Halls, Indoor Courts for Shuttle & Table Tennis. Every student has access to a wide range of activities, facilities and support. VCEW with its beautiful landscape and carefully tended gardens provides an ideal environment for congenial learning experiences.

The hostel is not merely a residential place but a home which connotatively signifies all the virtues of a home. Here students come not for just boarding and lodging but for a life time experience. It has shaped the life of many students. It offers scope for various activities and fosters a sense of orientation among students.

Students from all parts of the country and abroad congregate here and settle down to a life of ease and comfort without stress or strain. Hostel life inspires students to be flexible and diplomatic and instills in them team spirit and independent thinking. At present more than 3500 students accommodated in the hostels. The hostels are administered by wardens and they take utmost care of the students. Every hostels are provided with STD and ISD call services
