

About Our Hospital

The Mamata Educational Society has constructed spacious buildings for the Mamata Academy of Medical Sciences Hospital. Mamata Academy of Medical Sciences provides all the facilities that are required for the primary to tertiary health care facilities. Out Patient Department: All the departments like General Medicine, General Surgery, Orthopaedics, OBG, Paediatrics, Ophthalmology, Psychiatry, E.N.T., TB&D, Dermatology, Psychiatry have their OPD facilities with separate male and female examination rooms. Student demonstration rooms are provided adjacent to every OPD for clinical demonstrations.
