

At Dr. Patnam Mahender Reddy Institute of Medical Sciences (PMRIMS), we understand that a comfortable and secure living environment is essential for academic success. Our on-campus hostel facilities for both male and female students are designed to provide a safe, supportive, and home-like atmosphere — allowing students to focus entirely on their medical education and personal growth.

Girls’ Hostel

The PMRIMS Girls’ Hostel offers a secure, comfortable, and nurturing residential space exclusively for female medical students. Thoughtfully designed to meet the needs of young women pursuing demanding academic programs, the hostel provides all essential amenities within a safe and well-managed campus environment.

Features of the PMRIMS Girls’ Hostel

1. Accommodation

- Well-furnished single and shared rooms equipped with beds, wardrobes, study tables, and adequate storage to support both rest and academic preparation.
- Room options are available across different occupancy levels, ensuring every student finds an arrangement suited to her comfort and preference.

2. Safety and Security

- Round-the-clock security with CCTV surveillance, biometric entry systems, and a gated campus ensures the complete safety of all residents at all times.
- Dedicated female wardens are present on-site to oversee resident welfare, enforce disciplinary guidelines, and provide immediate support when needed.
- Structured visitor policies and regulated entry timings are maintained to uphold a safe and disciplined living environment.

3. Amenities

- High-speed Wi-Fi, common lounges, laundry facilities, and well-maintained dining areas are provided for the convenience and comfort of all residents.
- Recreational spaces support extracurricular activities, cultural events, yoga, and indoor games — promoting a balanced lifestyle alongside academic commitments.

4. Hygiene and Maintenance

- Regular housekeeping and sanitation services ensure that all living spaces, washrooms, and common areas are kept consistently clean and hygienic.
- Well-maintained bathrooms and pantry areas reflect the institution’s commitment to high standards of cleanliness and resident well-being.

5. Dining

- A dedicated dining hall serves nutritious, balanced, and freshly prepared meals tailored to the dietary needs and preferences of medical students.
- Pantry areas are accessible for students who wish to prepare light meals or snacks at their convenience.

6. Community Living

- The PMRIMS Girls’ Hostel fosters a strong sense of sisterhood and belonging, encouraging residents to share experiences, support one another, and build lasting friendships.
- Shared common spaces promote healthy interaction, cultural exchange, and collaborative study among students from diverse backgrounds.

Boys’ Hostel

The PMRIMS Boys’ Hostel provides male medical students with a secure, well-equipped, and disciplined residential facility designed to support focused academic life. Combining comfort with convenience, the hostel ensures that students have everything they need to thrive both inside and outside the classroom.

Features of the PMRIMS Boys’ Hostel

1. Accommodation

- Spacious single and shared rooms furnished with beds, study tables, wardrobes, and storage facilities to meet the everyday needs of resident students.
- Multiple occupancy options are available, offering flexibility to suit individual preferences and requirements.

2. Amenities

- Essential facilities including a dining hall, dedicated study rooms, recreational areas, and laundry services are provided to ensure a comfortable and productive stay.
- High-speed Wi-Fi, air-conditioning, and 24-hour electricity supply support uninterrupted academic and personal routines.

3. Safety and Security

- Comprehensive security measures including CCTV surveillance, biometric access control, and on-site wardens ensure a safe and well-monitored residential environment at all times.
- Campus entry protocols and structured timings are enforced to maintain discipline, order, and the overall well-being of all residents.

4. Community Living

- Hostel life at PMRIMS cultivates a strong sense of camaraderie among male students, encouraging teamwork, mutual respect, and lasting friendships.
- Common lounges, recreation rooms, and shared dining areas provide natural spaces for social interaction, relaxation, and peer support.

5. Food and Dining

- A well-managed dining facility serves healthy, affordable, and freshly prepared meals on a daily basis, catering to the nutritional demands of students engaged in rigorous medical training.
- Pantry areas are available for residents who wish to prepare their own meals or snacks outside of regular dining hours.

Premium Hostel Accommodation

Premium **1BHK units** are available for students seeking enhanced privacy and independent living within the campus premises.

All hostels are equipped with essential amenities including hygienic dining facilities, uninterrupted water and power supply, security surveillance, and easy access to academic blocks and hospital services.

Committed to Excellence in Medical Education & Patient Care.
