FROM THE DESK OF
DIRECTOR -CUM-
DEAN, NIMSR

PROF.DR. SOUMYA
CHAKRABORTY,
DIRECTOR-CUM-DEAN,
NIMSR KOHIMA

Nagaland Institute of Medical Sciences & Research, Kohima became functional with admission of 1st batch of 100 MBBS students since 2023 following Letter of Permission from National Medical Commission and Nagaland University to create a center of excellence for providing high quality Medical Education, Research Training while bridging the gap in Northeastern part of India. With NHAK as its Teaching Hospital, this Medical College has been involved in patient care services thereby emerging as a leading and an exemplary Institution in Medical field thus fulfilling its objectives of achieving benchmark in Medical Education, training, patient care and Research. Over a short time this Medical College has established itself as a center of repute as students from far off states of India have taken admission and are presently undergoing Medical Education in this Medical College. Patients from neighboring States besides Nagaland also consult clinicians and multiple multi centric collaborative research projects by ICMR, DBT, NIN Hyderabad have added to the reputation of NIMSR, Kohima.

All could be achieved by the support and motivation from Hon'ble Chief Minister of Nagaland, the Chairperson of the Governing Council of NIMSR, Hon'ble Minister of Health & Family Welfare, Government of Nagaland, Ministry of Health & Family Welfare, Government of India, Directorate of Health & Family Welfare, Government of Nagaland, Higher Education, Sports and other allied stakeholders of the state and beyond. Enormous contributions are being made by Faculty, Residents, Nursing Staff, Administrative Staff, Engineering Division and others at NIMSR and NHAK.

I am also thankful for getting constant support by Rural and Urban Health Training Centers and Villages which enabled NIMSR to provide Medical Education, patient care services promoting research by keeping it in forefront thus ensuring smooth health care coordination.

It is a great honor and I do feel privileged to take over the charges of 1st Director cum Dean of Nagaland Institute of Medical Sciences & Research, Kohima on 12th December 2022 after serving about 30 years in various Central Government Institutions.

My vision is to establish and develop NIMSR, Kohima as a Global Center of Excellence in Medical and Allied Health Services. My goal is not only to focus on holistic development of the Institute and further excel in Higher Medical Education, Research and Tertiary care services but also to introduce innovations in various fields in Medicine and Health Profession Education.

I am also confident that very soon Evidence Based Medical Education and Clinical Practice will be evident at NIMSR which will thus be one of the best models for providing standardized Medical Education, Research and patient care services.

NIMSR, Kohima is thus a state of art Medical College and hospital in the State of Nagaland serving also the neighboring states in the country.

**NIMSR
PROFILE**

Nagaland Institute of Medical Sciences & Research, NIMSR was established in the year 2023 and it is the first Medical Institute in the State of Nagaland. The Institute is located in the Lush hills of Kohima, the State Capital.

The campus spreads over 120 acres, surrounded by green mountains, gives a calm haven afar from the commotion and chaos of city life. This serene setting provides an ideal environment conducive to learning and academic pursuits.

Nagaland Institute of Medical Sciences & Research, Kohima is affiliated to Nagaland University. NIMSR, Kohima was granted the Letter of Permission by the National Medical Commission (NMC) in April 2023 to admit 100 MBBS students starting from the academic year 2023-2024. This marks the initiation of the first Medical College in the State after 60 years of statehood, fulfilling the longstanding aspiration of the Naga community.

Nagaland Institute of Medical Sciences & Research, Kohima is managed by the Nagaland Institute of Medical Sciences & Research (NIMSR) Society, an Autonomous society registered under Societies Registration Act of Nagaland, 1860 and is governed in accordance with the NIMSR Bye-Laws. The society is headed by the Hon'ble Chief Minister of Nagaland as Chairman of Governing Council and Commissioner & Secretary to the Government of Nagaland, Health & Family Welfare Department, Nagaland as Chairman, Executive Committee, along with other members.

VISION

- To establish a Medical College of national reputation in the fields of Medical Education, Hospital Based Health Care and Community Outreach Services, Research and Development.
- To produce Indian Medical Graduates (IMGs) possessing requisite knowledge, skills, attitude, Values and responsiveness so that he/she may function appropriately and effectively as a Doctor of first contact of the community while being globally relevant.

MISSION

- To provide State of Art Medical Education and Training.
- To provide Tertiary Level Health Care Facilities
- To implement Research & Development on Medical & Public Health issues.
- To support National Health Policy and Programs.
- To establish this Medical College and Hospital as a Centre of Excellence of National and International Importance.
- To produce IMGs who would be able to function as a health care team leader in primary and secondary care settings.

OBJECTIVES

- To implement, strengthen and sustain high standards of teaching-learning and training activities related to medical education.
- To improve and sustain cost effective tertiary level health care services including out-patient, emergency, diagnostic, community outreach and indoor patient services.
- To promote community based medical education and provide community oriented health care services.
- To promote conducting of intramural & extramural research on relevant and contextual health related issues relevant to the state and country as a whole.
- To participate and contribute in National Health Programs & Policy Making in Public Health related issues.
- To implement effective governance in various administrative sections of the Medical College & Hospital for smooth functioning.
- To educate and motivate other health care team members to implement collaborative health care.
- To produce IMGs who would function as clinicians, leaders and members of health care team, communicators, lifelong learners and professionals.
- To utilize health care system appropriately and cost effectively.
- To advocate for quality improvement and patient safety.
