

Hostel

The **BOYS'** hostel at **Rajalakshmi MEDICAL COLLEGE** is a modern and well-equipped accommodation option for students. The hostel is a ground-plus first-floor building that offers 40 rooms, all of which are furnished rooms equipped with modern amenities. The hostel provides both AC and non-AC accommodation options to suit the needs of different students. The rooms are available in single, double, and triple occupancy, depending on availability.

One of the key features of the hostel is its online payment system through ERP. This makes it easy for students to make payments and manage their accommodation expenses. The hostel also has a well-equipped gym that students can use to stay fit and healthy. High-speed Wi-Fi is available throughout the hostel, ensuring that students can stay connected and work efficiently. The hostel also provides hot water 24/7, so students can enjoy hot showers at any time. A reading room is available for students who want to study and read in a quiet and peaceful environment. The visitor hall is also available for students to receive guests and visitors. 24-hour supervision is provided to address any problems that students may face. The hostel mess serves hygienic food and offers a variety of food items to cater to the diversity of students. The mess is open at all hours, so students can enjoy meals at any time.

Overall, the hostel offers a comfortable, safe, and convenient accommodation option for students. With its modern amenities and 24-hour supervision, it provides a great home away from home for students.

Hostel For Girls

ANNAI MEDICAL COLLEGE Ladies' Hostel is also well-equipped with modern amenities and offers both AC and non-AC accommodations. The hostels are located within walking distance of the college and hospital. One of the key features of the hostel is its online payment system through ERP. This makes it easy for students to make payments and plan their accommodation in a favorable place.

The hostel facility offers comfortable accommodation to more than 100 girls every year. It has 24/7 CCTV coverage, Wi-Fi, a reading room, a TV hall, a gym, security guard surveillance, and power backup. All the rooms are fully furnished, with some of the rooms having attached bathrooms with cold and hot water facilities. Hostel Mess serves hygienic food and offers a variety of food items to cater to the diversity of students. A common playground and a badminton court are available and accessible to all the girls' hostel students. Other amenities like indoor games and laundry facilities ensure the utmost comfort for the students.

Shops for daily requirements and photocopier services catering to the daily requirements of the students are also available near the premises inside the campus. 24 hours of supervision are also available to address the students' needs. A visitor hall is available within the hostel to receive guests and visitors.
