Students Club & Activities

SSVMC offer our students the opportunity to expand beyond academics. To enable our learners to develop other aspects of their lives and personalities, we encourage them to partake in any of the numerous activities that will help them learn, grow and develop other skills beyond the realm of academics. We understand that every student who comes to study with us has their own alignment towards activities. Keeping this in mind, at SSVMC, we have empowered our students to associate and grow with others around them through our clubs.
