

Opd Services

The **Outpatient Department (OPD)** services at **ESIC Hospital & Medical College Varanasi** provide essential medical care and treatment for individuals who are not admitted to the hospital but require medical consultations, diagnostics, and treatment. These services are primarily designed to serve employees covered under the **Employees' State Insurance Corporation (ESIC)** scheme, but they may also extend to eligible dependents, retirees, and other beneficiaries as per ESIC guidelines.

Here's an overview of the OPD services typically offered at **ESIC Hospital & Medical College Varanasi**:

1. Consultation Services

- **General Medicine:** Provides diagnosis and treatment for a wide range of medical conditions, including common ailments, chronic diseases, and preventive care.
- **Specialist Services:** The hospital also offers consultations with specialists in areas such as:
 - General Medicine
 - **Paediatrics** for children's health.
 - **Obstetrics and Gynaecology** for maternal and women's health.
 - **Dentistry** for dental care.
 - Geriatric

2. Diagnostic Services

- ESIC Hospital Varanasi provides diagnostic services such as **X-rays, blood tests, ECG**, and other necessary investigations to help in the proper diagnosis and treatment of patients.

4. Pharmacy Services

- The hospital has an in-house pharmacy where patients can obtain prescribed medications free.

5. Referral Services

- If a patient requires specialized or in-patient care, the OPD staff can refer them to the appropriate department or for hospitalization within the hospital or its network.

6. Emergency and Follow-Up Care

- Although the OPD is generally for non-emergency cases, it also handles **follow-up appointments** for chronic patients, ensuring continuity of care.
- Emergency services are provided for immediate medical attention, with referrals to the emergency department as necessary.

8. Timings

OPD services at ESIC Hospital & Medical College Varanasi are available on Monday-Friday during 9am to 4pm and on Saturday 9am to 1pm.

24x7 Emergency Services.
