

FACILITIES

Boys Hostel

Comfortable, secure and well-maintained on-campus accommodation is provided for male students, allowing them to focus fully on their studies in a supportive residential community.

Rooms are furnished with the essentials and supported by 24x7 security, CCTV surveillance and resident warden supervision. Common amenities include Wi-Fi connectivity, study and recreation areas, dining through the campus mess, and round-the-clock water and power.

A disciplined yet friendly environment helps students build lasting friendships and develop independence and responsibility during their time at the college.
