Dean's Message

Dr. Bikram Kharga

Dean

Welcome to Helen Lepcha Sikkim Government Medical College. The establishment of this institution marks a significant step in strengthening medical education and healthcare in Sikkim. As we begin this journey, our commitment is to nurture competent and compassionate healthcare professionals, advance knowledge through research, and serve society with dedication and integrity.

Guided by our motto, **"Learning to Heal, Serving Humanity"**, we believe that medicine is both a science and a service. Beyond academic excellence, we strive to instill the values of empathy, professionalism, and lifelong learning in our students.

Helen Lepcha Sikkim Government Medical College situated in the Himalayan region is uniquely placed to contribute to research and innovation inspired by the health needs, biodiversity, and medicinal heritage of Sikkim.

Above all, we remain committed to improving the health and well-being of the communities we serve. I warmly welcome students, faculty, staff, and visitors to join us in this shared journey of learning, healing, and service.

Dean

Helen Lepcha Sikkim Government Medical College, Gangtok

About Institution

Helen Lepcha

(1902 - 1980)

Helen Lepcha Sikkim Government Medical College is the first Government Medical College in the State of Sikkim. Joint initiative of the Government of India and the Government of Sikkim, the institution is established with the vision of expanding access to affordable, high-quality medical education and strengthening healthcare services in the region.

The College is named in honour of Helen Lepcha fondly remembered as Savitri Devi, the renowned Freedom Fighter born in 1902 in Sangmoo, South Sikkim. The institution proudly carries forward her legacy of service, compassion, and commitment to the welfare of society.

To ensure the comfort and well-being of students, the College provides separate mess facilities for boys and girls, serving nutritious, hygienic, and balanced meals in a clean and welcoming dining environment. The mess facilities are designed to cater to the dietary requirements of students while promoting healthy living.

The campus also features a well-equipped gymnasium, encouraging students to maintain physical fitness, mental well-being, and a balanced lifestyle alongside their academic commitments.

Student safety remains a top priority at HLSGMC. Both hostel complexes are safeguarded by 24-hour security coverage, with dedicated security personnel, controlled access, and continuous surveillance to ensure a safe and secure residential environment for all residents.

Strategically located within easy reach of the academic blocks and teaching hospital, the hostels foster a vibrant residential community that supports learning, professional development, and holistic growth.

A home away from home, the hostel facilities at HLSGMC are designed to nurture future healthcare professionals in an environment of safety, comfort, discipline, and mutual respect.
